## SRP TO TRAIN WITH GERMAN MP

The SRP Parliamentarians are very proud to announce that for two days, 11 and 12 October 2004, German MP Jurgen Koppelin will lead SRP senators, members of parliament, and members of the Standing Committee in an advanced training program for elections strategy planning to strengthen the SRP.

He will bring to the training his vast experience in electioneering that the SRP will find invaluable. MP Koppelin is the leader of the Free Democratic Party (FDP) members of parliament in the Federal German Parliament of Bundestag. He is a member of the Parliamentary Committee for Finance, and the Committee for Choice Examination, Immunity, and Agenda. He has been a member of the FDP since 1962, and has, of course, been through many elections.

In the field of social development, he is a director of the German Society for Technical Co-operation GTZ GmbH, Eschborn, and actively overseeing GTZ projects in Thailand for many years.

The SRP will benefit a great deal from his resources and generous training program.
