

Questions sent via email prior to interview:

- What were the challenges of data completion? What went well?
- What are your thoughts on the excel audit and feedback cycles? Can you identify ways to make this more efficient?
- Did you identify reasons for missing data? Will you be adding any changes to your workflow?
- How will you continue to maintain race and ethnicity data moving forward?
- Is the difference between not reported and updated clear?
- Any other feedback on the project or missing data?
