1. from *Wedding Cantata*:
   Awake, O North Wind .................................................. 1:40
   Daniel Pinkham (1923-2006)

   Awake O north wind, and come thou south.
   Blow upon my garden that the spices may flow out.
   Let my beloved come into his garden and eat his pleasant fruits.

2. from *Zigeunerlieder Op. 103*:
   Horch, der wind klagt in den zweigen .................. 2:37
   Johannes Brahms (1833-1897)

   Hark, the low wind laments sadly in the branches;
   Sweet love, we must part: good night.
   Oh, how happily I rested in your arms.
   The hour of parting approaches, God protect you.

   Dark is the night, no tiny star provides any light;
   Sweet love, trust in God and do not weep;
   If the loving God lead me back to you again,
   We should remain united forever in the happiness of love.

3. Kristallen den fina ......................... 2:26
   Gammal Mariavisa / arr. Gunnar Erikson (b. 1936)

   The crystal, the fine one, may shine like the sun,
   like the stars twinkle in the sky.
   I know a girl of fine virtue,
   a girl in this village.
   My friend, my friend and flower of love*!
   Oh, if we were able to come together.
   And I would be your friend,
   and you my dearest one.
   You noble rose and gilded shrine.
   The crystal, the fine one, like the sun may shine,
   like the stars twinkle in the sky.
I know a girl of fine virtue,
a girl in this village.
My friend, my friend and flower of love*!
Oh, if we were able to come together.
And I would be your friend,
and you my dearest one.
You noble rose and gilded shrine.

And even if I fared to the end of the world
my heart would call for you.
And even if I fared to the end of the world
my heart would call for you.
For you, my friend and flower of love*!
Oh, if we were able to come together.
And I would be your friend,
and you my dearest one.
You noble rose and gilded shrine.

What a beautiful jasmine flower.
What a beautiful jasmine flower.
Sweet-smelling, beautiful, stems full of buds.
Fragrant and white, everyone praises.
Let me pluck you down.
Give to someone else.
Jasmine flower, oh jasmine flower

Hail holy Queen, Mother of mercy
To thee do we cry, poor banished children of Eve.
Queen of Heaven, rejoice, alleluia.
O clement, O loving, O Sweet Virgin Mary.
And Jesus the blessed fruit of thy womb.
Gloria........................................Randol Alan Bass (b. 1953)

Glory to God in the highest,  
and on earth peace to people of good will.  
We praise you,  
we bless you,  
we adore you,  
we glorify you,  
we give you thanks for your great glory,  
Lord God, heavenly King,  
O God, almighty Father.  
Lord Jesus Christ, Only Begotten Son,  
Lord God, Lamb of God, Son of the Father,  
you take away the sins of the world, have mercy on us;  
you take away the sins of the world, receive our prayer.  
you are seated at the right hand of the Father, have mercy on us.  
For you alone are the Holy One, you alone are the Lord, you alone are the Most High,  
Jesus Christ, with the Holy Spirit, in the glory of God the Father. Amen.

Nouse Lauluni ..................Soila Sariola (b. 1977)

(Sung in Finnish)

Soloists: Byron Walker, Emily Sawan, Miriam Nunley, Daina Goldenberg

I sing songs that I know and understand.  
I sing a song upon the waves.  
I sail on the waves of hymns,  
These words are my own that I received from sages of the winds,  
These hymns are my own, I learned from the eternal winds.  
I yearn to, I’m thinking in my mind that I should start to sing, to sing a hymn of joy.  
Though I couldn’t really make a hymn wisely,  
The words met in my mouth, the speeches flow.  
Rise my song, from the bay, a little hymn my way,  
From under the price with golden foliage,  
Rise my song, from the bay, chirp like a bird,  
Fly to the waves to songs, to the waves.  
We rarely gather together and see each other,  
At these unknown doors, at these unfamiliar gates,  
Let’s hold hands, let our fingers entwine.
Virga Jesse ........................................3:24.................................................................Anton Bruckner (1824-1896)

Ryan Mullaney, conductor

The branch from Jesse blooms:
a Virgin brings forth God and man:
God restores peace,
reconciling in Himself the lowest with the highest.
Alleluia.

O How Beautiful, this Finely Woven Earth.........3:11.................................................................Greg Jasperse

Komm, Jesu Komm..................................................8:22....................................................Johann Sebastian Bach (1685-1750)

Christian Selig, continuo

Come, Jesus, come, my body is weary.
My strength fails more and more,
I long for your peace;
the bitter path becomes too hard.
Come, come, I will yield to You;
You are the right path, the truth and the life.

So I give myself into Your hands
and say: World, good night!
Just as my life's course is hurrying towards its end,
the spirit is opportunely healthy.
It hovers next to its creator,
as Jesus is and remains
the true way to life.
