To Infinity and Beyond!

11th Annual Graduate Student Symposium

Integrating elements of environmental and forest sciences

DATE CHANGE: Now Friday March 14th, 9am-5pm
The Forest Club Room, Anderson 207

- Morning keynote presentations by leaders in the field
- Graduate Students - present your research (preliminary findings and proposals are encouraged).
- Undergraduates - Poster Presentation and Competition.

*Your chance to learn, grow, network, practice presenting, get feedback from faculty and peers, and be recognized! Come see and share what we do here at SEFS!

For more information and to learn how to apply to present your research visit www.seis.washington.edu/CFRGSS/
